

A-1 Lifelike 3/8” Compost

PRODUCT DESCRIPTION:

A-1 Lifelike 3/8” Compost is a blend of horse bedding shavings and manure. This blend is then composted under strict standards of Title 14 of the California Integrated Waste Management Regulations. Our compost has been through pathogen reduction by composting at temperatures above 132 degrees Fahrenheit for up to six months with frequent turning. Our compost is shipped to a third party laboratory to ensure our product is below heavy metal and pathogen limits established by the CIWMB Title 14. It is a long-lasting organic material, dark in color, which adds necessary humus and beneficial microbes to our native soils.

PRODUCT USES:

- Soil amendment
- Mulch
- Used frequently by San Diego Rose Society

PRODUCT APPLICATION:

- Amending turf, apply 3”-4” and rotor-till to a depth of 6” - 8” to create a transition zone
- General planting, excavate hole twice the diameter of the root ball and amend excavated soil 1 part A-1 Lifelike 3/8” Compost with 2 parts existing soil. Always leach organic salts by watering planting hole well before planting.
- Mulch, apply 2” - 4” of A-1 Lifelike 3/8” Compost to surface of soil and spread around existing plants.

PRODUCT ANALYSIS:

Passing	
1/2”	100%
PH Range	7.0 - 8.0
ECe (Salinity)	< 8.0
Organic % by Weight	20%-40%
Pathogen Test	PASS
Heavy Metal Test	PASS
Approximate Weight	1000lb - 1450lbs per Cy ³
